THOUGHTFUL BY DESIGN

This is a landmark that takes inspiration from the many historical landmarks in Delhi, while staying contemporary in terms of design.

Design partners of international repute have come together to design this landmark that's truly one-of-a-kind.

THE CONCEPT ARCHITECTS

Perkins Eastman

A renowned American architecture and design firm that has been established in 1981.

They have delivered several notable buildings in a wide range of specialised project types: Civic & Cultural, Healthcare, Residential, Office & Retail etc.

THE PROJECT ARCHITECTS

LANDSCAPE CONSULTANTS

Integral Designs, New Delhi

Established in 1994, it works to provide high quality sustainable landscapes.

With many breath-taking spaces designed across the years, the expertise from the house of Integral Designs International Studio is what goes into curating the landscaping around you.

A MARQUEE LANDMARK IN MAKING

Since historic times, marquee buildings form a deep rooted landmark in the city, both in physical and aesthetic form, much like the Qutub Minar.

Bring together the stories from the past and integrate it seamlessly with modern day sensibilities to redefine the skyline of South Delhi.

As one of the tallest residential property at 96 metres in South Delhi, you will enjoy an uninterrupted view of the picturesque skyline of South Delhi.

There are only 4 towers* in the premises, so nothing interrupts your views.

From here, you'll have access to great views. Be it the view of the bustling city of South Delhi or the greenery around, with Tughlaqabad Fort#

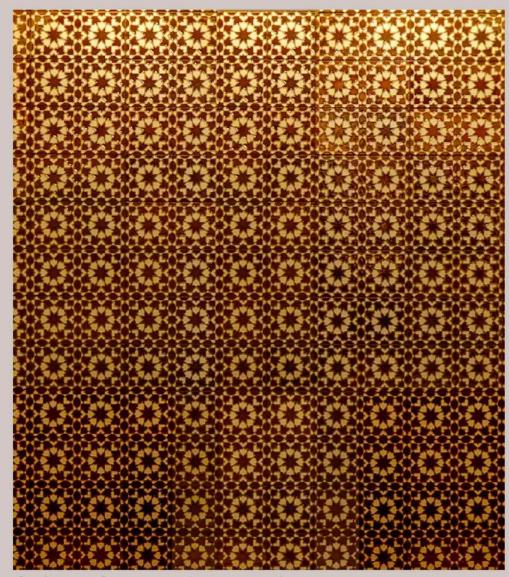

DESIGNS THAT INSPIRES THE MANY INTRICACIES OF OUR FACADE

The traditional carving of intricate ornamental patterns in a jaali form have always held an important place in Mughal architecture.

Its intricacies serve as an illustration of many significant historical events and can be seen etched in remarkable Mughal landmarks.

Today, this very same intricate traditional design has been crafted for modern day sensibilities, and is now a part of your home at Godrej South Estate.

Contemporized with a modern metal screen.

INSPIRED BY THE CROWN FROM THE LIKES OF CHRYSLER BUILDING, NY
